

ACCEPTING STATE "POST-REUNIFICATION SUPPORT PROGRAM" MONIES
DEPARTMENT OF HUMAN SERVICES - DIVISION OF CHILDREN, YOUTH, AND FAMILIES

The Division of Children, Youth, and Families accepts State "Post-Reunification Support Program" monies in the amount of \$267,300 for CY 2014.

These monies - and those which will follow in 2015-2018 - will enable the Division to purchase goods and services for families to whom children have been returned from out-of-home care situations. The intent is to promote the continuing reunification of those families and fewer re-entries of children into out-of-home care. These State monies have made available to select Counties owing to a five-year federal waiver. The State will support as many as 27 Dane County children at the rate of \$1,100 per month per child for 12 months. Dane County becomes eligible for program participation on April 1, 2014. Counties are not responsible for any costs during the first year of programming. Subsequently, if Counties elect to continue program participation, Counties must match State monies on a 1:3 basis. Dane County will utilize monies realized from lowered alternate care costs.

NOW, THEREFORE, BE IT RESOLVED that the following revenue account be created and that the revenues be credited to the General Fund and transferred from the general fund to the following expenditure account in the Department of Human Services:

BE IT FURTHER RESOLVED that unexpended grant monies will be carried forward into the subsequent years' budgets (2015-19) in order to maximize use of these federal monies on behalf of Dane County consumers.

Specifically, Dane County will cover costs for one child for every three children covered by State monies in the latter years. Dane County monies will be drawn from monies saved by reduced overall alternate care costs related to fewer children returning to alternate care situations following failed reunifications.
