3 **AUTHORIZING RECLASSIFICATION OF SOLID WASTE ENGINEER #1741 TO WASTE &**
4 **RENEWABLES SAFETY & COMPLIANCE COORDINATOR**

5
6
7 Dane County's Department of Waste & Renewables (W&R) owns and operates the County's
8 landfills, household hazardous waste collection site, a construction and demolition recycling
9 facility, various other recycling programs, and a Renewable Natural Gas (RNG) Plant that
10 converts landfill gas to pipeline quality RNG. Operations of these facilities are regulated by
11 various entities and regulations including but not limited to: the Wisconsin Department of Natural
12 Resources, Environmental Protection Agency, Wisconsin Department of Safety and
13 Professional Services, and the United States Occupational Safety and Health Administration.

14
15 Position #1741, previously titled Solid Waste Engineer (P11), has been vacated due to a
16 retirement. Due to evolving nature of W&R's operations and increased need for a focus on
17 safety, the Department is requesting an update to the title and classification. There is no
18 request for a change in pay scale.

19
20 Not unlike the roles of the incumbent, the classification of Safety & Compliance Coordinator will
21 be responsible for maintaining compliance with environmental and safety regulations and site
22 operating permits, licenses, and approvals. Objectives include compliance with applicable rules
23 and permits, control of environmental hazards and risks, prevention of accidents and injuries,
24 and maintaining safe conditions for employees, contractors, and visitors. This position will take a
25 leadership role in the environmental management and safety programs for W&R with the need
26 to work independently and communicate effectively with all Department staff.

27
28 **NOW, THEREFORE, BE IT RESOLVED** that the Dane County Board of Supervisors does
29 hereby support and authorize reclassification of Position # 1741 Solid Waste Engineer (P11) in
30 the Dane County Department of Waste & Renewables to Safety & Compliance Coordinator
31 (P11), commensurate with the Department's request and approval of the Department of
32 Administration – Employee Relations Division.
