DANE COUNTY CLERK

RE: Injury and Death of Show Horse  
DOL: March 29, 2016  
Place of Loss: Alliant Energy Center, New Holland Pavilions  
Our File No.: 21234.76024

**NOTICE OF CIRCUMSTANCES OF CLAIM**

Please be advised that on March 29, 2016 a horse named "The Final Four", registered to participate in the Mid-America Spring Fling Horse Show, was severely injured in the New Holland Pavilions when its leg came in contact with the rigid, unfinished metal edges of a U-channel located at the top of the stall in which the horse was located. As a result of the injury the horse had to be euthanized. The owners of the horse, represented by this law firm, have suffered a monetary loss due to the severe injury and loss of their horse. Investigation into the incident is continuing and may result in a determination that the injury to the horse was caused, in whole or in part, by the actions of the Alliant Energy Center and/or contractors involved in the design and construction of the horse stalls. Under such circumstances, the owners of the horse will seek to hold these entities responsible for the damages. This notice of circumstances of claim is being served for the purpose of the preservation of rights pursuant to Wis. Stat. § 893.80(1d).

If you have any questions, do not hesitate to contact the undersigned legal counsel.

Sincerely,

AXLEY BRYNELSON, LLP

Kevin D. Trost
