**AMENDING A GRANT TO PORCHLIGHT INC FOR
OPERATION COSTS FOR EMERGENCY OVERNIGHT MEN'S SHELTER
DCDHS – HAA DIVISION**

The services in this resolution are funded in part with the County's allocation of local aid authorized in the 2021 American Rescue Plan. Therefore, this resolution follows the format outlined in 2021 RES-013.

Justification

Authorizing Law: In March of 2021, the federal government authorized the \$1.9 trillion American Rescue Plan (ARP) stimulus bill authorizing additional funding to respond to and recover from the COVID-19 pandemic across multiple areas of need.

Dane County was allocated over \$106 million in ARP local aid. A portion of those funds has been previously committed to various efforts to promote economic and housing stability for households impacted by the COVID-19 pandemic.

Response to the COVID-19 Pandemic: Enduring economic hardship that originated during the COVID-19 pandemic continues to impact Dane County's households. The number of people being served by Dane County's emergency shelters serving single adult men have reached historic levels, currently averaging 275 guests an evening and peaking at 347 guests in January of 2024.

The Dane County Department of Human Services – Housing Access and Affordability Division (HAA) seeks to amend its existing grant to Porchlight Inc. to address increased operational needs of the overnight shelter for men. The amendment amount is \$350,000, and the amended grant term is from January 1, 2024 – December 31st, 2025.

Households enrolled in emergency overnight shelter with Porchlight Inc. will be eligible for services that include shelter, food, showers, access to telehealth, case management and connection to resources and basic needs.

Duplication of Funding/Existing Partnerships and Programs: The funding is not duplicative and additional operational funding is needed to meet the increased demand for shelter services in order to meet basic needs.

Expected Outcomes and Data Collection

Expected program outcomes include the provision of safe shelter, food, showers and connection and referral to community resources for men experiencing homelessness.

Data collection will minimally include:

- i. Unduplicated number of individuals served.
- ii. Demographics of individuals served.
- iii. Average length of stay in shelter.
- iv. Prior living situation of participants.
- v. Income of participants.

48 vi. Number of individuals who left the program, and where they exited to.
