THE CONDITIONAL USE SHALL BE LOCATED ON THE PROPERTY DESCRIBED AS
FOLLOWS:

LOCATION: 7263 County Highway A, Section 16, Town of Montrose

LEGAL DESCRIPTION: The east 600 feet of the NE $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Section 16, specifically

Township 5 North, Range 8 East, Town of Montrose, Dane County, Wisconsin.

CONDITIONS:

Standard Conditions for all Conditional Use Permits from 10.101(7):

1. Any conditions required for specific uses listed under s. 10.103 (see below).
2. The physical development and operation of the conditional use must conform, in all respects, to the approved site plan, operational plan and phasing plan.
3. New and existing buildings proposed to house a conditional use must be constructed and maintained to meet the current requirements of the applicable sections of the Wisconsin Commercial Building Code or Uniform Dwelling Code.
4. The applicant shall apply for, receive and maintain all other legally required and applicable local, county, state and federal permits. Copies of approved permits or other evidence of compliance will be provided to the zoning administrator upon request.
5. Any ongoing business operation must obtain and continue to meet all legally required and applicable local, county, state and federal licensing requirements. Copies of approved licenses or other evidence of compliance will be provided to the zoning administrator upon request.
6. Existing onsite wastewater sewage disposal systems, if any, serving the conditional use must be inspected by a licensed plumber to determine its suitability for the proposed or

expanded use. Deficient systems must be brought, at the owner's expense, into full compliance with the current requirements for new development of the state plumbing code and Chapter 46, Dane County Code.

7. All vehicles and equipment must access the site only at approved locations identified in the site plan and operations plan.
8. Off-street parking must be provided, consistent with s. 10.102(8).
9. If the Dane County Highway, Transportation and Public Works Department or the town engineer determine that road intersection improvements are necessary to safely accommodate the conditional use, the cost of such improvements shall be borne by the landowner. Costs borne by the landowner shall be proportional to the incremental increase in traffic associated with the proposed conditional use.
10. The Zoning Administrator or designee may enter the premises of the operation in order to inspect those premises and to ascertain compliance with these conditions or to investigate an alleged violation. Zoning staff conducting inspections or investigations will comply with any applicable workplace safety rules or standards for the site.
11. The owner or operator must keep a copy of the conditional use permit, including the list of all conditions, on the site, available for inspection to the public during business hours.
12. Failure to comply with any imposed conditions, or to pay reasonable county costs of investigation or enforcement of sustained violations, may be grounds for revocation of the conditional use permit.

Conditions specific to CUP # 2679:

13. This conditional use permit shall expire on the sale of the property to an unrelated third party. Continued use of a farm residence after sale to an unrelated third party shall require approval of a new conditional use permit.
14. The Zoning Committee may revoke any Conditional Use Permit it finds in violation of this section. Continued use of residence with a revoked conditional use permit shall require approval of a rezone petition to a zoning district that allows nonfarm residential use.
15. The Zoning Committee shall require the recording of a notice document with the Register of Deeds on the subject property notifying current and future owners of the provisions of conditions #13 and #14 above.
16. CUP would become invalid if Gobel Dairy LLC goes out of business or undergoes a name change. If the CUP becomes invalid, the homes would need to be removed unless there is a timely application for a new CUP or a request to rezone and create new residential lots for the homes.
17. Under this CUP, occupancy of the 2 farm residences is limited to the following:
 - a. A person who is both the owner and farm operator of the farm.
 - b. A parent or child of the owner and farm operator of the farm.
 - c. An individual who earns more than 50 percent of his or her gross income from the farm.
 - d. Total occupancy for each residence shall be limited to (a) any number of individuals related by blood, adoption, foster care, domestic partnership or marriage, or (b) no more than five unrelated individuals.

THE ZONING AND LAND REGULATION COMMITTEE AFTER PUBLIC HEARING AND IN THEIR CONSIDERATION OF THE CONDITIONAL USE PERMIT MADE THE FOLLOWING FINDINGS OF FACT:

1. That the establishment, maintenance and operation of the proposed conditional use will not be detrimental to or endanger the public health, safety, morals comfort or general welfare.

2. That the uses, values, and enjoyment of other property in the neighborhood for purposes already permitted will not be substantially impaired or diminished by the establishment, maintenance, and operation of the proposed conditional use.
3. That the establishment of the proposed conditional use will not impede the normal and orderly development and improvement of the surrounding property for uses permitted in the district.
4. That adequate utilities, access roads, drainage and other necessary site improvements will be made.
5. That adequate measures will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets.
6. That the proposed conditional use does conform to all applicable regulations of the district in which it is proposed to be located.
7. The proposed conditional use is consistent with adopted Town and County Comprehensive Plans.
8. If located in the Farmland Preservation (FP) area, the conditional use meets the necessary findings to be located in the district as per Dane County Code of Ordinances Section 10.220.

EXPIRATION OF PERMIT

Upon the allowed land use's cessation or abandonment for a period of one year, this conditional use permit will be deemed to have been terminated and any future use shall be in conformity with the ordinance.
