2023 RES-097 2 AMENDING THE 2023 OPERATING BUDGET TO AUTHORIZE A CLERK 3 FOR DCDHS – HAA DIVISION

4 The Dane County Department of Human Services (DCDHS) Housing Access and Affordability

- 5 Division (HAA) has employed a limited term employee (LTE) Clerk III to assist with administrative
- and planning tasks related to the implementation and ongoing management of various COVID-19
- 7 preparedness and response activities and support for HAA's Community Development Block
- 8 Grant (CDBG) Unit to help ensure compliance with federal funding.
- 9 The department has indicated there is a need for a permanent position and they intended to
- pursue a Clerk IV FTE in the 2024 budget. Given how long this position has been an LTE and
- 11 without benefits, a pending resolution to extend LTE hours should be the last one. The FTE
- position, at a higher classification, should begin Oct 1, 2023 and the incumbent should be eligible
- 13 to apply.
- 14 The DHS budget contains sufficient funds from salary savings to support this position for the last
- 15 quarter of 2023.
- NOW, THEREFORE, BE IT RESOLVED that the Dane County Board authorizes the creation of
- 17 a Clerk IV position in the Department of Human Services Housing Access and Affordability
- Division starting in pay period 21 of 2023 and make the following amendment to the operating
- 19 budget:
