G. Reports to Committee

1. Activity Report

Director Jones reported that activity for December 2020 was down 64.7% for the year. As of February 28, 2021 we were down 72.6% compared to a year ago. As is typical within the industry, it continues to be a leisure travel recovery. We do anticipate the business travelers to return post pandemic. TSA reported multiple days of over 2,000 passengers in March.

Director Jones noted that American Airlines is resuming flights to Philadelphia and Sun Country is bringing back seasonal flights to Seattle this summer.

The expanded 2021 Flight of Lights display was a great success. Based on positive feedback and input from the community, it was extended to three weeks which included two nights dedicated to recognition of First Responders.
