

### 2015 Action Plan- Substantial Amendment

The Substantial Amendment amends the 2015 Action Plan, passed by the County Board in November, 2014 and submitted to HUD to fund and include the following projects in the 2016 Action Plan.:

Recipient	Project Description	Amount
Hispanic Chamber of Commerce of WI	Business Development Services	\$102,500
Habitat for Humanity	Homebuilding Program	\$250,000
Independent Living, Inc.	Minor Home Repair Program	\$45,000
Project Home, Inc.	Major Home Rehab	\$218,500*

It also recognizes that Dane County CDBG is no longer funding the Homeless Day Shelter previously expected to open in the Town of Madison in 2015.

\*This amount increases the funding for this project by \$70,000 using unallocated HOME funds.
