**2021-RES-178**

**AUTHORIZING FUNDING FOR AIR PURIFICATION PROJECTS**

This project is funded with the County's allocation of local aid authorized in the 2021 American Rescue Plan Act. This resolution follows the format outlined in 2021 RES-013.

**Justification**

Authorizing Law

In March of 2021, Congress passed and President Biden signed into law the \$1.9 trillion American Rescue Plan (ARP). This bill authorized additional funding to respond to and recover from the COVID-19 pandemic. Dane County was allocated over \$106 million in ARP local aid.

Response to the COVID-19 Pandemic

This resolution authorizes \$571,300 in ARP funding to install ultraviolet air purification and air filtration units on the ventilation systems in County owned buildings. Improving ventilation systems has been identified as a key way to limit the spread of COVID-19 and increase the safety of indoor environments for employees and visitors to county facilities.

Duplication of Funding/Existing Partnerships and Programs

Funding for this project is not duplicative of existing funding.

**Expected Outcomes**

Authorizing this funding will allow Facilities Management to install the appropriate devices at several county buildings.

The buildings included in this project are: Badger Prairie Healthcare Center, the Badger Prairie Needs Network Building, the City-County Building, the Public Safety Building, the Courthouse, the Consolidated Food Service building, the Medical Examiner Building, the East District Highway Garage, the buildings at the Landfill, the Tellurian Detox building, the Juvenile Detention Center, the Lyman F. Anderson Agriculture & Conservation Center (Fen Oak), the Cleansweep building, the Blooming Grove buildings (Emergency Management and Library Service), the Sheriff's Office Training Center, the Springfield Highway Garage, several buildings at the Henry Vilas Zoo, the Fish Hatchery Highway Building, the South Madison Office, the Lussier Heritage Center, and the Parks Maintenance Building.

**NOW, THEREFORE BE IT RESOLVED** that the following revenue account be adjusted and the revenue be transferred from the General Fund to the following expenditure account in the Department of Administration.

Revenue

Account Number	Account Title	Amount
ADMADM 81367	ARP Revenues	\$571,300

Expenditure

Account Number	Account Title	Amount
ADMADM NEW	UV Filtration Project	\$571,300

**BE IT FURTHER RESOLVED** that the Controller is authorized to make payments related to these programs.

52  
53  
54

**BE IT FINALLY RESOLVED** that unspent funds from 2021 be carried forward for expenditure in 2022.
