Note regarding business status:

The above list of invoices may identify some vendors with a MBE/WBE status. If the vendor did not report a status, the field will show "N/A". This information is self-reported by the vendor and is not verified by the county. Approximately 500 of the 5,500 active vendors in the county's financial system have any reported MBE/WBE or non-MBE status. No conclusions may be drawn with regard to the county's spending patterns from the information in the above list.

These fields will need to be updated periodically from the vendor table. When refreshed, remc
column C and copy formula to all lines in column E.
