

DISTRICT MAP OPTION G

Ward Splits

37 of 493 wards are split

Ward splits include:

- Ward splits needed in order to meet district target population.
- **Zero-population** wards that are town islands have been put into surrounding district.
- **Populated** town islands have been left in the same district as the rest of the ward, even if this creates non-contiguous districts.
- Towns scheduled for attachment within 10 years (*Town of Madison – 2022; Town of Blooming Grove – 2027*) have been put into geographically closest district.
