There was a third open position that was slated to not be filled as it was in the 2027 budget to not fill that position.

Fischer said the ADRC is finishing the transition to Peer Place, the new data tracking system.

Fischer explained the process of time reporting that is scheduled to transition to Peer Place in 2026 instead of excel spread sheets where it currently occurs.

The ADRC BOLD grant staff are doing a lot of work on the Bold Grant and rolling out the next steps from the movie premiere. Those who attended the premiere gave excellent feedback on what they feel is needed next.
