

2015 RES 518

Authorizing an Agreement to Purchase Steam Energy from the
State of Wisconsin Department of Administration

Since 1978, Dane County has purchased Steam Energy from the State of Wisconsin Department of Administration for heating and other uses for the City-County Building, the Public Safety Building and the Courthouse. The Steam Sales Agreement which governed the terms and conditions of the purchase has expired, and a new agreement has been negotiated.

Under the Steam Sales Agreement, the State of Wisconsin Department of Administration agrees to furnish Dane County with steam and return condensate for a period of ten (10) years. The price of the steam will be based upon a formula that factors in the Dane County's proportionate share of the expenses necessary to provide steam service to the County's buildings, and will be adjusted on a yearly basis.

NOW, THEREFORE, BE IT RESOLVED that Dane County does hereby approve and authorize the above-described agreement with the State of Wisconsin Department of Administration; and

BE IT FURTHER RESOLVED that the Dane County Clerk and County Executive are hereby authorized to execute the described agreement on behalf of Dane County.
