

**ACCEPTING DONATION FROM FIDELITY CHARITABLE TO FUND VENDING  
MACHINE INITIATIVE**

This donation is being received to support the Capital expense of vending machines for Dane County EMS Agencies. These vending machines will allow group purchasing and decreased waste of medications for EMS providers throughout Dane County.

This donation of \$7800 from Fidelity Charitable on behalf of EPIC Charitable Fund will be used to purchase the software necessary to track use, place orders and monitor expiration dates. We had planned for this cost to be shared between the EMS agencies within Dane County. With this generous donation the municipal EMS agencies around Dane County will not experience this expense until 2021.

THEREFORE, BE IT RESOLVED that the donation be accepted and that revenue line CPEMRMGT 81520 "Donations" be created and funded in the amount of \$7,800 and that account CPEMRMGT 58019 "EMS MED Vending" be increased \$7,800.
