## Minutes - Final Unless Amended by Committee

### Criminal Justice Council - Behavioral Health Subcommittee

*Consider:*

*Who benefits? Who is burdened?*

*Who does not have a voice at the table?*

*How can policymakers mitigate unintended consequences?*

#### E. Reports to Committee

## 1. CJC Action on CJC Behavioral Health Subcommittee's Request to Work on Baseline Data for People Booked into Jail with Serious Mental Illness (SMI)

*Chair Mbainai reported the results of the action taken by the Criminal Justice Council (CJC). At the August meeting of the CJC, the motion, "The Criminal Justice Council approves the request to have the CJC staff work with Dane County Sheriff's Office staff to collect and visualize key data points regarding those booked into jail with serious mental illness." passed unanimously by the CJC.*

## 2. Initial SMI Data Discovery

*Clark-Bernhardt presented an overview of serious mental illness in the jail and the work of the research and innovation team. Cornelius presented the data on serious mental illness and compared it to familiar faces. Clark-Bernhardt and Cornelius indicated this is the first step in getting additional data. Shimko indicated it is exciting to see where the data has gone. Discussion ensued around potential goals and targets.*

## 5. Crisis Triage Center Update

*Moore provided a status update regarding the Request for Proposal (RFP) for the crisis triage center. Moore indicated that there are policy hurdles to address regarding differing opinions from the Wisconsin Department of Health Services and the Dane County Human Services Department regarding involuntary holds. With the differing opinions, there will be a delay in releasing the RFP until a decision is made regarding the involuntary holds. Moore indicated Dane County Human Services anticipates releasing the RFP in early November.*
