

2016 RES-010
ACCEPTING A DOMESTIC ABUSE IN LATER LIFE GRANT
FROM THE WISCONSIN DEPARTMENT OF HEALTH SERVICES
DCDHS - ACS DIVISION

For the third year in a row, the Wisconsin Department of Health Services has awarded Dane County Department of Human Services a Domestic Abuse in Later Life Grant. The amount of the 2016 grant is \$4,753. The funds will be used to partially underwrite the costs of a Domestic Abuse in Later Life conference to be held on November 11, 2016 at the Discovery Building located within the University of Wisconsin – Madison campus. The conference is being planned by the Coordinated Community Response – Elder Abuse committee and DCDHS’ Adult Protective Services Unit. The 2015 funding was also used for a full day conference attended by more than 150 people and which was highly praised. It is hoped that this fall’s conference will also be well attended and enable community professionals to better understand this hidden, under-reported issue. The revenue and expense accounts used in 2015 were left at \$0 in the 2016 Adopted Budget and need to be increased through resolution.

NOW, THEREFORE, BE IT RESOLVED that the following 2016 revenue and expenditure accounts be modified and that the following revenue increase be credited to the General Fund and transferred from the General Fund to the following expenditure account in the Department of Human Services:
