

CHANGE OF ARCHITECTURAL/ENGINEERING PROFESSIONAL SERVICES AGREEMENT
FOR DECONSTRUCTION OF NURSES DORM

The Department of Public Works, Highway and Transportation awarded a Contract to Dorschner|Associates Inc. for architectural and engineering design services for the Northport Nurses Dorm Deconstruction in Madison, WI, RFP #315014.

The original Contract was awarded in the amount of \$12,905.00.

The following change is requested: Add \$15,625.00 for additional scope of project. Added work includes creation of construction documents and construction administration for the creation of ADA accessible walkway, architectural salvage, landscape plan, and storm water management plan.

NOW, THEREFORE, BE IT RESOLVED, that a total addition of \$15,625.00 be approved to the Contract for Dorschner|Associates to add construction documents and construction administration to the scope of the project because County requested increase to scope of work requiring additional design work;
and

BE IT FINALLY RESOLVED that the Department of Public Works, Highway & Transportation be directed to ensure complete performance of the Change Order.
