5
6 AWARDING CONTRACT FOR AD HOC DATA & PHONE CABLING SERVICE
7

8 Dane County Information Management Division maintains an extensive computer network
9 supporting Dane County operations. When departments and divisions across Dane County add,
10 change or relocate their staff, data and phone cabling changes are required. The county is
11 requesting assistance with the installation, changes and repairs for the data and phone cabling
12 that is installed in facilities owned or leased by Dane County.

13 Pursuant to this effort, the county issued RFP # 119018 to identify qualified firms to provide
14 parts and services for this cabling service on a time and materials basis. This process resulted
15 in the selection of Integral Building Systems Inc. as the preferred vendor.

16 The county has negotiated a contract with Integral Building Systems Inc. with an amount not to
17 exceed \$500,000 to provide cabling services as needed at various county facilities over the next
18 five years.

19
20 THEREFORE BE IT RESOLVED THAT the County award a contract to Integral Building Systems
21 Inc. in an amount not to exceed \$500,000, and

22
23 BE IT FINALLY RESOLVED THAT the County Executive and County Clerk are authorized to
24 execute the contract documents.
