

**KERNEN GRASSLAND**

- 80 acres
- 6 prairie remnants
- Critical bird habitat
- Subdivided for housing

**KERNEN GRASSLAND ACQUISITION**

- Existing pull-off parking area will allow safe public access from County Hwy JG
- Site will be actively managed for wildlife
  - ~15 acres of prairie remnants are subdivided as housing lots but will be restored as habitat
  - ~35 acres in crop rotation will be planted to diverse prairie to benefit pollinators
  - ~30 acres are already in cool-season grasses to hold soil, sequester carbon & provide bird habitat
