WDHS FAMILY CARE ANNOUNCEMENT & DISCUSSION

Attachments: [WDHS Family Care Press Release 072816 081716](#)

Genter explained that the Wisconsin Dept. of Health Services has determined that Family Care/IRIS will come to Dane County in the first quarter of 2018. WDHS has the authority to designate a transition timetable, as transitioning to Family Care no longer requires approval of the County Board of Supervisors. More than 2,000 Dane County MA Waiver program participants will transition to Family Care/IRIS. Genter said he hopes the Long Term Support Committee will provide advice to the department regarding communications with consumers and their families.

2. PROGRAM UPDATES

Genter said a) the CCS Program continues to grow and has a steady stream of new requests to enroll; b) expenses for inpatient care at Winnebago and Mendota Mental Health Institutes are within budget for the first six months of the year, due in large part to relatively few days of geropsychiatric care for older adults; and c) the state and federal governments have increased the number of fiscal and program audits they are performing, and DCDHS has a site visit by federal representatives tomorrow regarding the Mental Health Block Grant and AODA Block Grant programs.

F. Future Meeting Items and Dates

The next meeting date is the County Board public hearing on the 2017 DCDHS Budget Request, which is the evening of Thursday, September 15, at Alliant Energy Center.
