

ESTABLISHING AN EXPENDITURE ACCOUNT FOR  
THE ZONING PERMITTING SOFTWARE (ACCELA PROGRAM) ANNUAL MAINTENANCE FEE

In 2011, Dane County contracted with Accela Inc. to develop and maintain a zoning permitting software system. The county and City of Madison worked together on this effort, substantially reducing the overall cost. This system has provided a dramatic improvement in tracking zoning permitting information countywide. Included in that original contract was land management annual maintenance, and GIS annual maintenance and support renewal licenses. Starting in 2014, the Planning and Development Department assumed responsibility for these maintenance costs. The amount is \$9,500 per year.

For accounting purposes, existing Zoning Division funds will be transferred into a new annual maintenance line item.

NOW, THEREFORE BE IT RESOLVED that the following expenditure account be created in the Zoning Division of the Dane County Department of Planning & Development:

EXPENDITURE ACCOUNT:

<b>Account Name</b>	<b>Account Number</b>
Zoning Permitting System Maintenance	NEW

NOW, BE IT FINALLY RESOLVED THAT \$9,500 be transferred from account PDZNGPLR 22043 to PDZNGPLR *New* for the 2016 budget.
