Built for Zero Update

Dane County Health and Human Needs Committee

Wednesday, May 31st, 2017

Background

- Dane County/Madison CoC one of more than 72 communities participating.

- Technical assistance provided.

- Goal to **reach functional zero** for:

  – Individuals who are Chronically Homeless.

  – Individuals who are homeless Veterans.

Background, Con't.

- Helped drive **key changes** in our system:

    – Coordinated entry.

    – Common assessment for housing (VI-SPDAT).

    – By-name list.

    – Housing placement group.

Goals and Update

- Set a goal to end homelessness for:
  - 130 veterans by 2015, and,
  - 135 individuals who are chronically homeless by 2016.

- As of December of 2016:
  - 208 homeless veterans housed.
  - 161 chronically homeless individuals housed.

Goals and Update Con't.

- **<u>Reached functional zero for chronically homeless veterans.</u>**
  - Around 60 homeless veterans remain on the by-name list for housing.

Action Cycle

- Learning about and implementing national best practices to:

    - Refine by-name list.

    - Expand coordinated entry.

    - Ultimately, continue to end homelessness by providing services more efficiently and appropriately.
