RE:      Claimant:                      Jason Familetti  
         Our Claim No.:                ALDA00000680  
         Our Insured:                    Dane County  
         Date of Loss:                    12/27/2021

Dear Dan Lowndes,

We have received the above referenced claim on 12/27/2021. Following a review of the information regarding allegations that a plow threw snow/rock, it has been determined that Dane County has no liability for this claim. GPS records support our plow was travelling at a slow rate of speed that couldn't possibly support snow or rock being thrown over median. Nor could claimant 100% confirm that rock came from plow. Please issue formal disallowance and provide a copy of this disallowance to WMMIC.

This claim will be closed on the date of receipt of the disallowance.

A copy of this letter has been placed in the claim file for reference. If you should have any further questions, please contact me.

Sincerely,
