

Dane County Annual Operator Report

In Accordance with the Dane County Non-Metallic Mining Reclamation Ordinance

Reclamation Permit # 128

Township Westport

Section # 2

Operator Dane County

• Acreage currently affected by non-metallic mining extraction for the reporting year: 0 acres

• Acreage that has been reclaimed for the reporting year: 0 acres

• Highlight these acreages on the plan map provided.

The purpose of this report is to adopt and implement effective reclamation requirements for non-metallic mining sites in Dane County and to provide uniform and predictable reclamation standards in accordance with Wis. Admin. Code Ch. NR 135 and Wis. Stats. Ch. 295, subchapter 1.

This report is not intended to interfere with zoning rules or regulations or with existing permits relating to the location, operation or end uses of an existing non-metallic mining site provided the permits otherwise comply with the provisions of this subchapter.

"I certify that this information is true and accurate, and that the non-metallic mining site described herein complies with all conditions of the applicable non-metallic mining reclamation permit and ch NR 135, WI Admin Code."
