Subject: Re: May 26 County Zoning Committee meeting information and registration - Millin rezone petition #11548
Date: Wednesday, May 20, 2020 9:53:17 AM

CAUTION: External Email - Beware of unknown links and attachments. Contact Helpdesk at 202-4440 if unsure

I talked with the board, the board will ok the new revised plan to rezone the 24.39 acres to FP-1 and the 1.504 acres to residential. So if the County oks the revised plan the board will approve at our June 9 meeting.

Thank you,

Nicole Bronkhorst

Hi Doug & Cathy,

Attached is a copy of the county staff report and density study for rezone petition #11548 along with a meeting registration form for the May 26th county Zoning & Land Regulation Committee public hearing. A preliminary agenda for the meeting is also attached. The public hearing is being held "remotely" and accessible by phone.

Please fill out the attached meeting registration form for your rezone petition 11548 and email back to me and Zoning Administrator Roger (lane.roger@countyofdane.com) at your earliest convenience.

As you know, the town denied your original request for RM-16 zoning. Staff is recommending postponement to allow time for you to present your alternative proposal to the town. Please review the attached information and let me know if you have any questions or concerns.

Unless you really wish to speak at the hearing, I would recommend that you just check the "register in support" and "available for information" boxes. If you do wish to speak, or if we receive any registrations in opposition, staff can call you into the meeting using the phone number you provide on the registration form. You can also access the meeting by following the public access instructions on the agenda.

Again, please let me know if you have any questions. Either Roger or myself will be following up with you by phone as we get closer to the meeting date.

Thanks,

Majid

Please note that the Dane County Planning & Development Department office is currently closed in response to the COVID-19 pandemic.

Staff are working remotely and can be reached via email during regular business hours.

This is the best way to communicate with me.

I will also check my work phone voicemail intermittently throughout business hours.

More information and updates can be found on our website: plandev.countyofdane.com
