SUBJECT: Request for approval to provide refreshments to Highway Employees at Department's Spring Training Day

On April 10, 2018, Dane County Highway Department personnel will attend an entire day of training at the East Side Campus. Training provided includes OSHA required courses as well as courses on other important topics.

In recognition of our employees' dedication and service to Dane County, we would like to provide morning break and lunch for our highway personnel.

The total cost to our department is \$750.

We respectfully request that an exception be made to Section 20.14 of the Expense Account Ordinance in order to permit us to provide this token of appreciation for our snow plow operators, mechanics, dispatchers and managers.

Thank you for your consideration.
