A motion was made by SCHMIDLKOFER, seconded by BUNCK, that the minutes be approved. The motion carried by a voice vote.

**C. Action Items**

1. Advocacy Supporting Federal & State Programs

**D. Discussion**

1. Revisiting Reports to Committee Items

*Discussion between members about what makes our committee more successful and what is our purpose? Need to be advocating more for older adult programs and funding. We are presented with information from a lot of places but what are the real needs of older adults? Tracking of issues, where do they stand? Paid employees should be aware of what is being done with older adult programming and sharing that information with this committee. Need more organized issues so things are not all over the place.*

**E. Reports to Committee**

1. Wisconsin Senior Advocates

*BUNCK can assist with summarizing what this advocacy group is doing.*

2. ADRC Governing Board

*Include minutes from ADRC meetings to see what Aging topics are being addressed.*

**No Aging Action items at last meeting. Shannon Gabriel, AAA Registered Dietician and Healthy Aging Coordinator, presented on the Nutrition Program.**

3. County/State/Federal Legislative Update

4. State's Aging Advisory Council

*BUNCK can assist with summarizing what this advocacy group is doing.*

5. Wisconsin Aging Advocacy Network

a. From USAgings: Senate HELP Committee Advances OAA Reauthorization Bill

July 31st - The Senate Health, Education, Labor and Pensions (HELP) Committee passed, in a vote of 20 to 1, S. 4776, the Older Americans Act (OAA) Reauthorization Act of 2024. The bill reflects seven months of advocacy by USAgings, our members and others, as well as the active engagement of eight HELP Committee Senators and their staff members who served on a bipartisan OAA working group.

USAgings priorities that in full or in part incorporated in the reauthorization bill, include:

- AAA Independence: Freedom from state approval around business or health care contracts if no OAA funding is used (limited disclosure only) and updated, clarifying language about when OAA funding is leveraged.
  - Title III D Flexibility: Funds can now be used for evidence-informed programs as well as evidence-based programs.
  - Nutrition Flexibility: Grab-and-go meals option is codified in the law, with up to 25 percent of C1 available if the state approves, and the ability to distribute these meals in any community setting.
  - Social Isolation: Prioritize national training and technical assistance to the Aging Network on social engagement programming and innovations, such as the work of USAgings's engAGED resource center.
- Funding Recommendations: Increase authorization levels by nearly 20 percent over the five-year period.

Advocacy focus has shifted to the House.

*Long discussion by members about Nutrition Flexibility. Committee members would like to see a grab-and-go meal program in Dane County for those who cannot get access to current meal sites. AAA staff are working on plans to increase congregate meal participation to get that cost down more. Southside of Madison is really limited in where they can go to get lunch. Romnes is locked so clients have been encouraged to go to another location.*

## 6. Chair & Staff Reports

*An email was shared with the committee from the Homeless Services Consortium about the Beacon homeless shelter no longer serving breakfast as of September 2, 2024. "Hello All, beginning Tuesday, Sept. 3, 2024, The Beacon will no longer serve breakfast or offer coffee service to our guests. This decision has been made following careful consideration and discussion between the leaders of Catholic Charities, Dane County, and the City of Madison in response to growing concerns about overcrowding and the safety of all guests, staff and volunteers. With this change in our services, The Beacon will provide lunch only. We believe this change will help us better manage our resources, staff and volunteer time, and reduce overcrowding during two different mealtimes. We understand that this change may be challenging for our guests, and we are committed to supporting them through this transition."*

*This information upset the committee members that Dane County would be involved in stopping to provide meals for under served homeless people. SCHMIDLKOFER asked for a motion and follow up from AAA Staff about who at Dane County agreed to stop providing breakfast at the Beacon. BUNCK seconded the motion and rest of committee members also agreed. Since this was not listed as an advance notice Action Item it cannot be documented as such but it will be noted of what committee members want investigated and reported back on.*

*AAA Aging Program Specialist Claire Purkis explained the work groups that the AAA interns and Claire have been working with on collecting information from older adults.*
