

2019-2021 DANE COUNTY LEGISLATIVE AGENDA

General Principles

The unique role counties play in administering state programs---human services, transportation, the environment, surface and ground waters, health, the justice system and other state-mandated services---must be recognized:

1. The state must fairly share responsibility with the counties in determining the scope, design and cost of statewide programs;
2. The state must provide an adequate and predictable share of funding for state services delivered by the counties;
3. The state must help counties reduce the need to rely on property taxes; and
4. The state should enhance the ability of counties to more effectively manage county government.
5. The state shall perform a biennial review of all mandated programs to determine continued need for the programs and annually review all mandated programs funded at 50% or less.

Eliminate Racial Disparities

The elimination of racial disparities and the elevation of racial equity are among the most important priorities and responsibilities of Dane County. Specific areas that help alleviate racial disparities include Child Welfare, Economic Wellbeing, Family Structure, Youth Initiatives, Education, Prevention, Employment, Criminal Justice, Health Care, Housing, Transportation, Economic Development, Contracting and Service Delivery.

In order to impact the current state and community crisis, we must be deliberate and proactive in our public policy response.

- 1) **Juvenile Justice:** Support continued funding for early intervention and intensive treatment programs.
- 2) **Career Development for Youth:** Support funding to provide educational, work skill development, transportation and mentoring services for youth or young adults who are at risk of dropping out, have dropped out of high school or who are unemployed post high school and lack the knowledge and skills necessary to secure and maintain gainful employment.
- 3) **Early Childhood Initiative:** Support legislation to continue funding for the Early Childhood Initiative programs.

- 13) **Support Wisconsin's Successful System of Election Day Voter Registration:** Support Election Day voter registration and urge Wisconsin Legislature to maintain the current system.

- 62 14) **Regional Transit Authority (RTA):** Restore statutory language to allow creation of a Regional Transit
63 Authority/Authorities covering at a minimum the federally-designated Metropolitan Planning Area, and support statutory
64 language to allow up to a half-cent sales tax which would go to citizens for a binding referendum, be contingent on
65 receiving federal transit funds and RTA governance/operating structure would be determined after consultation with
66 community partners participating in the RTA. Support that sales tax funds are used for commuter rail, bus transit,
67 emergency/disabled transportation, local road and county highway projects.
- 68 15) **State Audit Probation & Parole Program:** Request the Legislative Audit Bureau to analyze Wisconsin's
69 probation and parole program for effectiveness and efficiencies; to identify improvements in procedures to streamline
70 the revocation process in order to reduce days in jail; and compare the Wisconsin program to other states.

75 eligibility for appointed counsel to eliminate the gap that currently requires the court to appoint counsel at county
76 expense.
- 77 19) **Minority Outreach:** Support state-sponsored outreach to communities about available support services.
- 78 20) **Income Maintenance Programs:** Support funding levels and legislation that provide sufficient resources to

84 arrest/conviction history and Social Security number.
- 85 22) **Wisconsin's Fair Employment Act:** Oppose permitting an employer to refuse to employ, bar or terminate from
86 employment an individual who has been convicted of a felony and who has not been pardoned for that felony, and pre-
87 empting local government from adopting ordinances concerning employment discrimination based on arrest or
88 conviction records that prohibit activity allowed under the state Fair Employment Act.
- 89 23) **Landlord Regulation:** Repeal 2011 WI Act 108, which prohibits local government ordinances that place limits or
90 requirements on landlords (Fair Housing Ordinance). Repeal 2011 WI Act 143, which prohibits a local government

- 98 25) **Medicaid Expansion:** Support implementation of the Medicaid expansion under the federal Affordable Care Act
99 (ACA). Allow Wisconsin to use the Medicaid option to close the gap in BadgerCare for childless adults. If WI closes
100 the gap, full federal funding will be available for three years 2014-2016, followed by gradual reductions to 90% by
101 2020. ACA creates other innovative benefits and programs that states and counties will help to implement. Accept
102 available federal funds for BadgerCare to ensure that thousands of Wisconsin citizens have access to quality and
103 affordable health coverage.

250 complaints about the quality of service suggest little accountability or oversight creating greater problems for the
251 “transportation disadvantaged.” Support entities or other actions that will hold MTM accountable, improve oversight of

288 whose home of record was not Wisconsin).
- 289 4) **Trust Fund:** Support an increase from state GPR to help stabilize the Trust Fund so veterans will no longer pay for

Funding should be increased for General Transportation Aids, State Highway Maintenance, the County Highway Improvement Program (CHIPS) and Specialized Transportation for older adults and persons with disabilities.
