**2017 RES-110**

**ACCEPTING REVENUE FROM THE DEPARTMENT OF HEALTH SERVICES TO PROVIDE  
RESPITE FOR AFRICAN AMERICAN CAREGIVERS OF PEOPLE WITH DEMENTIA AND  
CREATING A NEW EXPENSE LINE - DCDHS - ACS DIVISION**

The ADRC of Dane County has partnered with the State of Wisconsin Department of Health Services on an Alzheimer's Disease Supportive Services Program (ADSSP) grant that the State of Wisconsin received. The State of Wisconsin then applied for a supplemental grant to the initial grant which has the goal to improve access to dementia related caregiver interventions, including culturally appropriate respite care and other long term care services for the African American population in Dane and Milwaukee Counties. The supplemental grant included \$25,000, which will be available to provide respite to caregivers in the African American community. Demographic data will be collected from anyone who uses the funds. ADSSP grant funds are available through February of 2018 and have the possibility of a no-cost extension to retain the funds until they are used by families. In Dane County, according to the 2010 Census, African Americans make up 5.1 % of the population and of that 3% are over the age of 64. The State of Wisconsin estimates that there are over 7,000 people over the age of 65 currently living in Dane County with dementia.

This resolution creates a new expense account for the ADSSP supplemental grant to provide respite services to caregivers in the African American community. The Department of Human Services' Aging and Disability Resource Center will administer the program.
