4 AWARDING AN AGREEMENT FOR EMERGENCY NOTIFICATION SYSTEM SOFTWARE

5
6 Dane County issued a Request for Proposals (RFP #119065) for replacement of the software
7 application that serves as the central point for administration and origination of emergency
8 notification messages to the public. Emergency messages to be disseminated include the relay
9 of a variety of severe weather watches and warnings as well as emergency alerts issued by the
10 County and other local response authorities.

11
12 Eight responses to the RFP were received. Responses to the RFP are on file in the Purchasing
13 Division of the Department of Administration. The proposals have been evaluated and the
14 evaluation team, comprised of staff from the Dane County departments of Emergency
15 Management and Public Safety Communications, and the City of Madison Fire Department,
16 finds the proposal from Rave Mobile Safety to be most advantageous to the County.

17
18 The term of the contract is from January 1, 2020 through December 31, 2024. The annual
19 software support and hosting services cost is \$65,000 per year for the term of the contract.

20
21 **NOW, THEREFORE, BE IT RESOLVED** that the Purchase of Services Agreement with Rave
22 Mobile Safety, in the amount of \$328,800 be approved and that the County Executive and the
23 County Clerk be authorized and directed to sign the contract.

24
25 **BE IT FURTHER RESOLVED** that the Department of Emergency Management be directed to
26 ensure complete performance of the Agreement.
