1. 2019 SENIOR ADVOCACY TRAINING

Olson was unable to schedule a member of the Dane County Board's Health & Human Services Committee to participate in the Dane County Board & Committees Panel agenda item for the training on 8 August 2019. Patrick Miles of the Dane County Board's Personnel & Finance Committee will lead the discussion. Six of the 12 Dane County Focal Points have registered to participate. NewBridge Madison Executive Director Marcia Hendrickson and McHone will contact directors of Focal Points that have not registered to stress the importance that a staff member and member of the Focal Point board participate. Several Committee members expressed disappointment that only six Focal Points had responded to date.

F. Future Meeting Items and Dates

NEXT MEETING: WEDNESDAY, 28 AUGUST 2019, 9 AM @ AAA/ADRC

G. Public Comment on Items not on the Agenda

H. Such Other Business as Allowed by Law

Hendrickson shared she was impressed with the NewBridge Madison staff response to the challenges presented after two fires in the downtown area on the morning of 19 July 2019 created widespread power outages and made travel on the isthmus difficult. The phones were not operational in any of the four NewBridge offices, yet case managers performed welfare checks on the hottest day of the summer. Senior Nutrition Program staff overcame several challenges to make certain every meal site in the city was operational.

Velasquez lauded NewBridge personnel, especially those affiliated with the Senior Nutrition Program, and Goodman Community Center's catering division for delivering meals despite a lack of power. Velasquez sent a note of gratitude to those who made sure services continued, with copies to Tessmann and DCDHS Adult Community Services Division Administrator Todd Campbell.

Committee members requested AAA staff to provide a report detailing how Dane County employees and POS contractors reacted to the emergency conditions so the information can be shared with Dane County elected officials and the entire county aging network. Hendrickson stated NewBridge would send a letter detailing the organization's emergency response activities to local newspapers.

This meeting adjourned at 10:46 a.m.
