E. Items Requiring Committee Action

1. DISCUSSION OF AND POSSIBLE ACTION ON SIZE OF DANE COUNTY BOARD

NO ACTION TAKEN ON ITEM. Supervisor Nelson spoke about the issue and raised it simply to ask whether the Executive Committee has any interest in taking up the topic at this time. The issue will come back to the committee when a resolution providing guidance on redistricting comes before the board. next year.

Sup. Young raised a concern about combining districts, particularly her district with any others as the student community of interested could be affected negatively. Sup. Ratcliff also mentioned that she would see a challenge in combining some districts that are geographical y close but have distinct communities of interest.

Considerations for changes in board size include: population size, effect on representation/communities of interest, committee structure effects, compensation effects, impacts on office staff.

2. DISCUSSION OF AND POSSIBLE ACTION ON GUIDELINES FOR ENGAGEMENT FUNDS

NO ACTION TAKEN ON ITEM. Staff and committee members discussed draft guidelines for use of engagement funds. These guidelines will help with the consistent allocation of the funds in the same way that we do for the conference and training budget allocations.

Additional information to ask for: impact of the engagement; proposed meetings should outline an inclusive engagement process; committee, board, or commission should make proposals / requests rather than individual supervisors (cf. guideline items III.).

Committee will take this up again at July 11 meeting.
