RE:      Claimant:                  Adam Heise  
            Our Claim No.:              GLDA00000332  
            Our Insured:                  Dane County  
            Date of Loss:                  5/15/2019

Dear Mr. Lowndes,

We have received the above referenced claim on 5/20/2019. Following a review of the information regarding the claimant driving on a stretch of rough roadway and claiming his vehicle needed an alignment, it has been determined that Dane County has no liability for this claim. Our investigation determined the rough roadway requires more than maintenance and that is not the responsibility of the County. Please issue formal disallowance and provide a copy of this disallowance to WMMIC.

This claim will be closed on the date of receipt of the disallowance.

A copy of this letter has been placed in the claim file for reference. If you should have any further questions, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Sandi Linqvist".
