2016 RES-593

**AUTHORIZING A LEASE AGREEMENT BETWEEN DANE COUNTY AND
DAMA INC.**

Dane County and DAMA INC. (formerly the Dane Arts Mural Arts Project sponsored by the Dane County Cultural Affairs Commission) have negotiated a lease for use of the old public works facility at the Blooming Grove Fire station located 1880 S. Stoughton Rd. for \$1 a year. DAMA, Inc. will be responsible for paying the utilities at the facility. The DAMA project is currently housed at space rented from the Madison Opera. Use of the facility in Blooming Grove will reduce the program costs incurred by DAMA, Inc. allowing more resources to be dedicated to mural projects throughout the county.

NOW, THEREFORE, BE IT RESOLVED that the lease agreement with Dane County and DAMA Inc to lease the public works facility at the Blooming Grove Fire station located 1880 S. Stoughton Rd. is hereby approved.

BE IT FINALLY RESOLVED, the County Executive and the County Clerk are authorized to sign the lease agreement.
