The sponsor should consult its legal counsel with questions concerning contracts and bidding.
5. May decline the offer of financial assistance provided through this agreement, in writing, at any time prior to the starting of the project and before expending any funds. B. Special Conditions:

The following special project terms and conditions were added to this agreement before it was signed by the parties hereto:

1. The sponsor shall implement and maintain proper soil erosion and sediment control best management (BMPs) practices during construction of the project. Erosion and sediment control BMPs shall be accomplished using the guidelines in the Wisconsin Stormwater Technical Standards available via the internet at: https://dnr.wi.gov/topic/stormwater/standards/const_standards.html. BMPs shall be properly installed, and maintained to function as intended until the project site is stabilized. All temporary erosion and sediment control practices (e.g. silt fence, etc.) shall be removed once the construction site has undergone final stabilization. Construction sites associated with land disturbing activities over one acre and grading sites of 10,000 sq. ft., or more on the bank of a navigable waterway require an erosion control and stormwater management plan prepared by the sponsor.
2. Resurfacing of an existing trail surface, provided that the stone subgrade remains in place covering the native soil, is exempt from storm water permit coverage pursuant to s. NR 216.42(7) Wis. Admin. Code. However, if the project disturbs more than 1.0 acre of land a construction site storm water discharge permit must be obtained. Application must be submitted at least 14 working days prior to start of construction. Contact Eric Rortvedt (608)273-5612.
3. Any temporary and/or permanent impacts to wetlands or waterways, culverts, etc. may need authorization through the waterway and wetland program. Contact Wendy Peich (608) 275-3481.

5. This project is using Federal funds or is using state funds that the DNR is using as match to a Federal grant. As a result, you are required to complete DNR Form 9300-230 <http://dnr.wi.gov/files/PDF/forms/9300/9300-230.pdf>, titled Grant Partner Financial Data Report, and submit the completed form to the DNR along with each reimbursement request that you submit.

C. Basic Federal Grant Conditions

1. Disadvantaged Business Enterprises (DBE) in grant project related activities
 - a. This requirement relies on your voluntary actions of project sponsors to demonstrate that they have taken affirmative steps to make DBE enterprises aware of project activities that are subject to public bidding or requests for proposals (RFP) for professional services. The current DBE eligibility directory is found on the Wisconsin Department of Transportation's website at: <http://wisconsindot.gov/Pages/doing-bus/civil-rights/dbe/certified-firms.aspx>
 - b. RFP – Voluntary actions for RFPs for professional services such as engineering or design include making DBE enterprises aware of your services.
 - c. Public Bidding – There are two voluntary actions requested of project sponsors: (1) your bid specifications encourage general contractors to use DBE enterprises as subcontractors where appropriate, and (2) when you publicize bid specifications for any portion of your RTP grant, that you review the eligibility directory for appropriate DBE contractors and provide the bid announcement to them by direct mail. There are no additional requirements regarding the normal review and selection of the lowest responsible bidder.
 - d. Depending on your project, you can indicate your affirmative actions through the following items that would be appropriate:

- i. Copies of correspondence that indicate DBE enterprises that were involved in the RFP process for professional services.
- ii. Copy of the bid specifications that indicate your encouragement of general contractors utilizing DBE contractors as subcontractors.
- iii. Copies of the direct mail letters to DBE contractors announcing the opportunity to provide a bid on the project construction activity.
- iv. Copies of the DBE Contract Summary indicating DBE contractors solicited and contractor's follow-up.
- e. If the DBE Contractor is selected as the lowest responsible bidder, then it should be so noted as part of the project claim documentation. We will rely upon the project billing submission as the appropriate point to report on DBE participation.

2. Audit Requirements, Regulations and Financial Record Retention of Federal Funds

- a. If SPONSOR expends federal grant funds totaling \$750,000 or more during the fiscal year and the those funds were received from a State or Federal agency, the SPONSOR agrees to have an annual audit performed in accordance with 2 CFR Part 200 Uniform -- Administrative Requirements, Cost Principles, & Audit Requirements for Federal Awards (also known as "Uniform Guidance") and WI State Single Audit Guidelines issued by Wisconsin Department of Administration, State Controller's Office and found at <https://www.ecfr.gov/cgi-bin/text-idx?SID=9b51e871f90641719d99f048171d1e3c&mc=true&node=sp2.1.200.e&rgn=div6>.
- b. This grant is funded through Fixing America's Surface Transportation (FAST) Act which reauthorized the Recreational Trails Program (RTP) for Federal fiscal years 2016 through 2020 as a set-aside of funds from the Transportation Alternatives (TA) Set-Aside under the Surface Transportation Block Grant Program (STBG). This procurement shall be subject to the regulations contained Section 20.219, Recreational Trails Program, of the Catalog of Federal Domestic Assistance, <http://www.cfda.gov> or beta.sam.gov.
- c. The grantee shall maintain the financial information and dated records used in the preparation or support of the cost submission for the grant in effect on the date of execution for this grant until three years after the final voucher has been approved by the Federal Highway Administration. The department, US Department of Transportation, or their agents, or any of their duly authorized representatives, shall have access to such books, records, documents, and other evidence for the purpose of inspection, audit and copying. The grantee shall provide proper facilities for such access and inspection. In addition, they shall have access to all records which relate to any dispute, appeal, or litigation, or the settlement of claims arising out of such performance, or costs or items to which an audit exception has been taken.

3. Data Universal Number System (DUNS) and Central Contractor Registration (CCR)

- a. All subrecipients of federal funds must have a nine-digit DUNS number in order. For more information: 1-866-705-5711 or <http://fedgov.dnb.com/webform>.
- b. All subrecipients of federal funds must maintain annual registration in the CCR database: <https://uscontractorregistration.com/central-contractor-registration-ccr/>.

4. Transparency Act Reporting for Federal Funds

- a. The Federal Funding Accountability and Transparency Act (FFATA) requires WDNR to report on a federal website specific award and subrecipient identifying information for each award greater than \$25,000 WDNR makes with federal funds it received after October 1, 2010. Prior to receiving funds, each affected subrecipient must report certain information to the WDNR so that the WDNR can fulfill its FFATA reporting requirements. Data reported by the WDNR may be viewed at www.USASpending.gov.

5. Cost Principles for Federal Grants to *State and Local Governments*

- a. 2 CFR Part 225 (formerly known as OMB Circular A-87) requirements apply only to state and local government subrecipients. These regulations list and define general categories of costs that are both allowable and unallowable.
- b. Examples are included below.
 - i. The cost of alcoholic beverages is unallowable.
 - ii. Costs incurred by advisory councils are allowable.
 - iii. Audit costs are allowable.
 - iv. Compensation costs are allowable so long as they are consistent with that paid for similar work in other activities of the local government.
 - v. Entertainment costs are unallowable.

- vi. Equipment costs are allowable with the prior approval of WDNR. Equipment having a useful life of more than one year or a current per-unit fair market value of \$5,000 or more must be tracked. When replacing equipment purchased with federal funds, the equipment to be replaced may be used as a trade-in or can be sold with the proceeds used to offset the cost of the replacement equipment. In addition, during the period of the contract with WDNR, insurance on the equipment is allowable. Contact WDNR for information required to be captured and recorded.
- vii. Travel costs are allowable if pre-approved by WDNR and if they are consistent with costs normally allowed in like circumstances for non-federally funded activities.
- viii. If a subrecipient uses grant funds to pay its employees, the subrecipient must maintain timesheets for work performed with the grant funds. Timesheets must show the hours worked and must be signed by the employee paid with the grant funds.

6. Nondiscrimination Requirements

- a. If you receive federal funds, you must comply with, and you must require your subcontractors, if any, to comply with, all applicable statutorily-imposed nondiscrimination requirements, which may include the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. § 3789d); the Victims of Crime Act (42 U.S.C. § 10604(e)); the Juvenile Justice and Delinquency Prevention Act of 2002 (42 U.S.C. § 5672(b)); the Civil Rights Act of 1964 (42 U.S.C. § 2000d); the Rehabilitation Act of 1973 (29 U.S.C. § 794); the Americans with Disabilities Act of 1990 (42 U.S.C. §§ 12131-34); the Education Amendments of 1972 (20 U.S.C. §§ 1681, 1683, 1685-86); the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101-07); Ex. Order 13279 (equal protection of the laws for faith-based and community organizations); and 28 C.F.R. pt. 38 (U.S. Department of Justice Equal Treatment for Faith-Based Organizations).
- b. Per Title VI of the Civil Rights Act of 1964 and the Omnibus Crime Control and Safe Streets Act of 1968, you must take reasonable steps to provide meaningful access for persons with limited English proficiency.
- c. In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, sex, or disability against a recipient of funds, you must forward a copy of the finding to the WDNR.
- d. In accordance with federal civil rights laws, you shall not retaliate against individuals for taking action or participating in action to secure rights protected by these laws.
