Subject: Petition 11188 202-206 Regas Road

Hi Pam,

With regard to the proposed kennel at 202-206 Regas Road, the City requests that the property be deed restricted so that only the kennel and pre-existing uses be allowed on the site. We believe the C-2 list of permitted and conditional uses is too permissive for the location. If you have any questions, don't hesitate to call me.
