## MEMORANDUM

---

---

**TO:** ZLR COMMITTEE  
**FROM:** CURT KODL, SENIOR PLANNER  
**SUBJECT:** PLANNING REVIEW OF THE PRELIMINARY PLAT FOR ASPEN MEADOW ESTATES  
**DATE:** 02/01/2016

---

As of January 1, 2008, all county land use decisions are required to be consistent with the county's adopted comprehensive plan. This includes zoning and plat review decisions, among others. This memo provides an analysis of the proposed *Aspen Meadow Estates Plat* for consistency with the Dane County Comprehensive Plan.

In addition to the numerous goals, objectives, and policies, of the Dane County Comprehensive Plan, the Plan also includes adopted town plan components, as well as city and village plans "as-is". This review focuses primarily on the proposed plat's consistency with the town of Middleton component of the county plan.

### ANALYSIS

Below is a synopsis of the plat's conformance to various provisions of the town of Middleton, and Dane County comprehensive plans:

### TOWN OF MIDDLETON PLAN

- Meets Middleton Plan: maximum gross density of 1 dwelling unit per Acre. (31+ acres and 16 lots)
- Identified on Future Land Use map as Residential and Town Ordinance Transition Area and new intergovernmental boundary.
- Plan includes the following applicable policies:
  - *Encourage the preservation of existing stone rows in good condition, fence lines and tree lines with mature native vegetation as defined by Town Ordinance.*
  - *Subdivisions and certified*

*surveys should be designed to blend with the natural contours of the land, to improve appearance and to minimize disturbance to the site.*

- *Require stormwater runoff and erosion control plans for all proposed subdivisions.*
- *Permit the continuation of existing institutional and research and development within the Town limits and, along with mixed use, as permitted residential development uses.*

### **Dane County Comprehensive Plan**

This extension of Pioneer Rd. will be part of the new Town/City boundary.
