Title of Resolution or Ord. Amd.:

AUTHORIZING ACCEPTANCE OF GRANT FUNDING FOR LAW ENFORCEMENT CRISIS INTERVENTION TRAINING

Policy Analysis Statement:

Brief Description of Proposal -

The State of Wisconsin Crisis Intervention Team (CIT) and Crisis Intervention Partners (CIP) is providing grant funding for specialized crisis intervention training for law enforcement. Funding of \$1,205, administered by the Dane County, Wisconsin National Alliance on Mental Illness (NAMI), will provide for the Sheriff's Office to host a 40 hours crisis intervention training, held November 28, 2016 – December 2, 2016, to instruct law enforcement personnel how to better respond to people experiencing a mental health crisis. \$1,205 will provide for reimbursement of overtime for training efforts and for the printing of training material.

Current Policy or Practice -

Acceptance of grant funding requires approval of the County Board.

Impact of Adopting Proposal -

Law enforcement agencies are usually first responders to encounters dealing with individuals experiencing a mental health crisis. Crisis intervention training for law enforcement raises officer awareness and provides strategies and skills required to deal humanely with individuals who are in crisis. Crisis Intervention training will improve outcomes of interactions between law enforcement and people with mental disorders and will increase safety for both officers and citizens.
