3 **AUTHORIZING ASSIGNMENT AND SECOND AMENDMENT OF PURCHASE OF**
4 **SERVICES AGREEMENT FOR AIRPORT DATABASE CONVERSION AND**
5 **ON CALL TECHNICAL SERVICES**

6 Dane County Regional Airport
7 Purchase of Services Agreement No. 13146
8

9 Under Purchase of Services Agreement No. 13146 (“Agreement”), Peterson Technology
10 Group, LLC provides Dane County Regional Airport (“Airport”) services related to the conversion
11 of the Airport Operations Database from Access to SQL and additional on call technical services.
12 Peterson Technology Group was recently acquired by The 20 MSP, LLC. Peterson Technology
13 Group and the Airport desire to extend the Agreement so Peterson Technology Group, by its
14 successor, may continue to provide on call technical services only. Accordingly, the Airport
15 requests Dane County’s approval to extend the Agreement with Peterson Technology Group, as
16 set forth in the Second Amendment of Purchase of Services Agreement, and assign the
17 Agreement to The 20 MSP. Upon extension and assignment, the terms and conditions of the
18 Agreement will be updated to set the maximum costs for each additional year. Otherwise, the
19 terms and conditions of the Agreement will remain the same. Peterson Technology Group, by its
20 successor, has the unique and singularly available ability to meet the Airport’s needs and is the
21 only option to maintain and support the Airport’s current operations system, and as such qualifies
22 for the exception from the maximum term length and rebidding requirements of Chapter 25.
23 Airport staff has determined that approval of the requested amendment and assignment is in Dane
24 County’s best interest.
25

26 **NOW, THEREFORE, BE IT RESOLVED** that the Dane County Executive and the Dane
27 County Clerk are authorized to execute on behalf of Dane County a Second Amendment of
28 Purchase of Services Agreement and Assignment of Purchase of Services Agreement, as set
29 forth above.
