

Dane County

Meeting Agenda - Final

Park Commission

Consider:

Who benefits? Who is burdened?

Who does not have a voice at the table?

How can policymakers mitigate unintended consequences?

Wednesday, April 3, 2024

7:00 PM

Heritage Center, 3101 Lake Farm Road,
Madison, 53711

A quorum of the Park Commission may be present but no business will be conducted.

Dane County Parks and Open Space Plan Public Information Meeting

The Dane County Parks and Open Space Plan is a countywide comprehensive outdoor recreation and natural resource plan that must be updated every five years to maintain eligibility for State Stewardship grant funds. Updates to the plan include identifying recreational needs and significant natural, cultural, and historical resources in the county to be considered for protection. The planning process will seek input from Dane County residents that will help guide future park and trail development projects over the next five years.

Dane County Parks will facilitate two public information meetings to kick off the planning process to update the Dane County Parks and Open Space Plan and explain how citizens and stakeholders can participate. Both meetings have virtual and in-person participation options. A quorum of the Park Commission may be present at either or both meetings, but no business will be conducted.

This is the first of those meetings. It will be held at 7:00 p.m. on April 3 at the Lussier Family Heritage Center in William G Lunney Lake Farm County Park, 3101 Lake Farm Road, Madison, 53711. To participate virtually, use this registration link:

As an added outreach effort, Dane County Parks has prepared a survey to further explore the overall public awareness of the park system and any improvements that could be made. The survey only takes about five minutes to complete. The survey is available in both English or Spanish and will be open until May 1. More information about the plan, and links to the survey in both languages, are available online
