11/26/24 Dane County Heritage Preservation Commission direction for staff

The Commission reviewed a presentation, an online timeline and an interactive map related to the Under Represented Communities Historical Marker project. Commissioners will review the online materials and provide suggested edits to staff. By general consensus, the Commission directed staff to:

- revise scoring sheets to reduce the number of categories and simplify ranking criteria
- provide a draft scoring sheet with staff recommendations of scores for each submitted nomination
- revise online materials to reflect a permanent, ongoing "crowd-sourced" community history, rather than "2024 nominations"

The Commission will review nomination rankings at its next meeting and revise if necessary prior to public hearing on historic marker nominations. Goal is to select 6 sites from the nominations for permanent, physical markers.
