2021 RES-379

**AMENDING CONTRACT 14520
BETWEEN AYRES ASSOCIATES AND DANE COUNTY**

In 2022, Dane County, is undertaking its seventh Fly Dane Project to develop county wide digital aerial imagery. The county awarded contract 14520 selecting a vendor to complete the needed work. The project will produce updated county-wide 6-inch resolution color imagery. The contract also provided for an optional municipal buy-up for municipalities and other organizations to acquire 3-inch resolution imagery and terrain data to support 1-foot contours. As a result 6 agencies have taken advantage of this buy-up option and have requested the acquisition of the 251 sections or square miles of 3-inch resolution color imagery and 161 sections or square miles of terrain data.
