County Board,

Please vote "NO" to Approving the land sale and agreements to make Yahara Hills Golf Course a Landfill. This design has yet to be tested anywhere else so close to a densely populated area so there are too many unknowns regarding the full impact to our quality of life, health and safety, and property value. We have already unexpectedly had to tolerate the ill-effects of the Rodefild landfill for the past 5 years; we have 8 more to go. We have been given zero reasons to believe this new landfill will be a better neighbor.

As mcfarland continues to expand, we are moving east towards this area. It will absolutely impact how these spaces are used and our community.

Please vote "No".
