County Board Members,

Please vote "NO" to Authorizing the Purchase of Yahara Hills Land for County Landfill. This design has yet to be tested anywhere else so close to a densely populated area so there are too many unknowns regarding the full impact of this new experimental landfill and compost collection design to the quality of life, health and safety, and property value of so many families. Our communities deserve more answers.

This new proposed location would directly impact our neighborhood - Secret Places

Warm regards,

Brooke Zimmerman
