The WRDA (Wisconsin Register of Deeds Association) likes to have several registers attend conferences for PRIA (Property Records Industry Association). The WRDA helps provide funding for those registers that can go.

I applied for a scholarship back in January of 2022 to attend the summer conference for PRIA in August in Ft Lauderdale, Florida. I was approved for \$500.00 to help cover some costs for the conference.

Registration opened June 1, 2022 so I filled out the conference and Training request and went ahead and made reservations at hotel, paid registration fees and booked airline ticket.

This PRIA conference is important as it allows the Register of Deeds to learn national changes to laws that will affect us. Also best practice changes. This year Daniels law was introduced by Judge on federal level which will greatly affect the way we will have to work with legislators this year to allow for changes in our public index.

Since Florida was just recently added to do not travel list, I am asking that I still be allowed to attend the conference.

Thank you
