8 Dane County Regional Airport

9 Purchase of Services Agreement No. 13146

10 Under Purchase of Services Agreement No. 13146 ("Agreement"), Peterson Technology
11 Group, LLC provides Dane County Regional Airport ("Airport") services related to the conversion
12 of the Airport Operations Database from Access to SQL and additional on call technical services.
13 Peterson Technology Group and the Airport desire to extend the Agreement so Peterson
14 Technology Group may continue to provide on call technical services only. Accordingly, the
15 Airport requests Dane County's approval to extend the Agreement with Peterson Technology
16 Group, as set forth in the Second Amendment of Purchase of Services Agreement. Upon
17 extension, the terms and conditions of the Agreement will be updated to set the maximum costs
18 for each additional year. Otherwise, the terms and conditions of the Agreement will remain the
19 same. Peterson Technology Group has the unique and singularly available ability to meet the
20 Airport's needs and is the only option to maintain and support the Airport's current operations
21 system, and as such qualifies for the exception from the maximum term length and rebidding
22 requirements of Chapter 25. Airport staff has determined that approval of the requested
23 amendment is in Dane County's best interest.

24 **NOW, THEREFORE, BE IT RESOLVED** that the Dane County Executive and the Dane
25 County Clerk are authorized to execute on behalf of Dane County a Second Amendment of
26 Purchase of Services Agreement, as set forth above.
