

# THE FLOW PROJECT

1. What's the Flow Project?
2. What happens when you pair student artists with water professionals?
3. What's the value of art and water topics coming together?

Alexandra Lakind, Julia Buskirk

Connecting UW Undergraduate Artists with Water Professionals Across Wisconsin to create art inspired by water

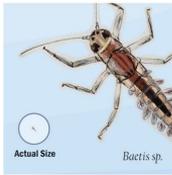

Simple design:

1. Artists get \$100 for materials, and \$100 for travel expenses
2. Water professionals volunteer their time
3. Artists + Water professionals are paired
4. Two meetings
5. Art is made!

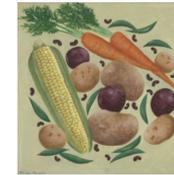

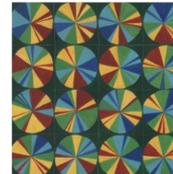

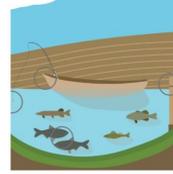

## 2021 Cohort

The Flow Project

## 2022 Cohort

# Galleries/Outreach Events

*Nelson Earth Day Event, Wisconsin Historical Society, 2022*

# Galleries/Outreach Events

*Wingra Watershed Event, Vilas Park, 2022*

## Galleries/Outreach Events

*Flow Gallery, UW-Madison School of Education Gallery*
