Hello, this is a written comment for the Personnel and Finance Committee meeting tonight 10/24 at 5:30pm. I am in support of the Amendment # P&F O-2 which is sponsored by Supervisor Castillo.

The patient navigator positions in the Public Health department are greatly needed to support people in Dane County. There is an increased need for coordinating, connecting, and educating birthing people on their options for preventing unintended pregnancies. Additionally, these positions will support Prenatal Care Coordination Services to help improve birth outcomes and address health inequities.
