

2022 RES-286

**AUTHORIZING ACCEPTANCE OF A LAND USE AGREEMENT BETWEEN THE  
WISCONSIN DEPARTMENT OF NATURAL RESOURCES AND DANE COUNTY FOR  
CONSTRUCTION OF A BICYCLE AND PEDESTRIAN TRAIL**

Dane County Land & Water Resources-Parks Division (County) and the Wisconsin Department of Natural Resources (WDNR) have worked together to plan, design and permit a segment of the Lower Yahara River Trail from Fairview Street in the Town of Pleasant Springs into Lake Kegonsa State Park to an existing parking lot trailhead area in the park. The off-road, multi-use trail will eventually extend south from the park to the City of Stoughton.

The WDNR requires a land use agreement to allow the County to construct the new trail segment on State Park property. The County recommends accepting the terms of the agreement including acceptance of \$49,900 in funds from the WDNR.

**NOW, THEREFORE, BE IT RESOLVED** that the Dane County Board of Supervisors and the Dane County Executive hereby authorize the Land Use Agreement with the WDNR for the construction of a public trail through Lake Kegonsa State Park.

**BE IT FINALLY RESOLVED** that revenue account CPLWRESC NEW DNR Lower Yahara River Trail Contribution and expense account CPLWRESC 57780 Lower Yahara River Trail be increased by \$49,900. These funds shall carry forward until expended.
