

2023 RES-313

AUTHORIZATION TO INCREASE CHANGE FUNDS FOR THE DANE COUNTY LANDFILL

The Dane County Waste and Renewables Department currently maintains change funds of \$500.00 for the Clean Sweep program and Landfill scale operations. The amount of money allocated for these change funds is no longer adequate for the volume of customers served. The Waste and Renewables Department is requesting that the change funds be increased by \$1,000.00 providing a total change fund of \$1,500.00.

NOW, THEREFORE BE IT RESOLVED that the Dane County Waste and Renewables Department be allowed to increase the change funds by \$1,000.00 to \$1,500.00 for the Clean Sweep program and Landfill Scale operations.

BE IT FINALLY RESOLVED, that the Controller be authorized to issue a check to the Waste and Renewables Department for the increase authorized by this resolution.
